

PSAT Bundle

Key Concepts:

PSAT Verbal & Math
Test-taking Strategies

Class Time:

Group D
1:30 - 4:30

Students who have taken our PSAT Bundle in middle school report significantly greater ease and success when preparing for their SATs in high school. Through lectures and guided practice in a structured, social setting, students build up a wealthy foundation of **test-taking strategies and essential concepts** in reading, writing, and math, and become familiar with the types of problems they will see on the exam. By developing this strong background, our students have the skills and confidence to efficiently prepare for the SAT later on.
